第二节 书面表达（满分 30 分）

One possible student version:

Living without worrying about the budget is such a wonderful gift for me and I will definitely share the chance with grandmother, who has devoted herself to raising family since the age of eighteen. She has taught me so many precious lessons that are never mentioned in my textbooks.

Being a green thumb, my grandmother is fond of gardening. As a result, I will take her to Hangzhou Botanic Garden. The diverse kinds of plants and breathtaking scene will certainly impress her. Taking her for a spa and a nice restaurant is also in my plan. After all, she has suffered for the whole life. I sincerely hope she could lead a relaxed, happy life ever after. (117words)
